

Create a webpage in a file called index.html that displays the poem below.

- Use two paragraph tags for the stanzas and `
` tags where necessary to keep the correct formatting.
- Use a third paragraph for the author and date, and enclose the author and date in a `<cite>` tag.

I'm Nobody! Who are you?
Are you - Nobody - Too?
Then there's a pair of us!
Don't tell! They'd banish us - you know!

How dreary - to be - Somebody!
How public - like a Frog -
To tell one's name - the livelong June -
To an admiring Bog!

By Emily Dickinson (1891)
